

EXPORT

We have been active internationally for over 30 years with a renowned expertise that is recognized by our customers who are loyal and regularly renew this confidence for additional facilities expertise.

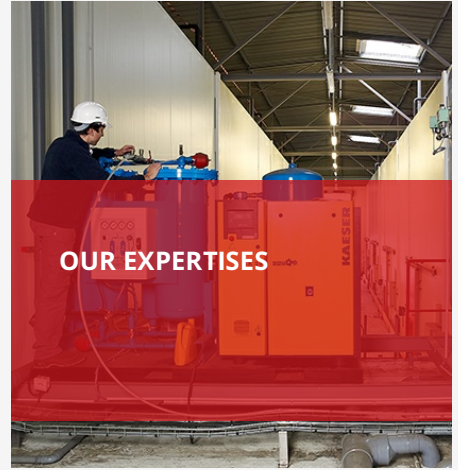

Tunisia, Algeria, Turkey, Azerbaijan, Spain, Venezuela, French overseas Territories and Departments... We operate in several countries with a comprehensive offer ranging from consulting and commissioning through maintenance.

We manage all stages of the project including coordination with local partners. Arboriculture, banana-ripening premises, storage of dates and citrus fruits as well as cheese factories are some examples of installations carried out by our teams thousands of miles from our headquarters.
